AFRL awards \$1.1 million to Radix Technologies

by Francis L. Crumb, Information Directorate

ROME, N.Y. — The Air Force Research Laboratory (AFRL) Information Directorate has awarded a \$1,198,316 contract to Radix Technologies of Mountain View, Calif.

“The objective of this two-year agreement is to develop an overlapped signal separator (OSS) for Code Division Multiple

Access (CDMA) telecommunications,” said Captain John L. Bebo, program manager in the directorate’s Information and Intelligence Exploitation Division. “The research will cultivate advanced transmission reception techniques applicable to high-density, low-signal-to-noise ration (SNR) environments.” @
